WELCOME

to the Tannenbütte!

We're happy you're here!

Take your time to relax and appreciate the smell of local firwood, which our hut was entirely built out of in 2018.

Enjoy fresh local specialties, the best in the Alpine region, prepared with love.

Good things take a while, so if you need to wait a few extra minutes for your service then spend the time enjoying the beautiful view, we're doing our best.

On crowded days be prepared that we may have to switch to self service.

Now treat yourself to a local home that can be enjoyed with all senses.

Yours Anna and the Team
